

Decision IG.21/6

Amendments of the Annexes II and III to the Protocol concerning Specially Protected Areas and Biological Diversity in the Mediterranean

The Eighteenth Meeting of the Contracting Parties,

Recalling Article 23 of the Barcelona Convention on the Annexes and Amendments to Annexes of the Convention and to the Annexes to the Protocols,

Recalling Article 11 and Article 12 of the Protocol concerning Specially Protected Areas and Biological Diversity in the Mediterranean, hereinafter referred to as the “SPA/BD Protocol”, on national measures for the protection and conservation of species and on cooperative measures for the protection of species,

Recalling Article 14 and Article 16 of the SPA/BD Protocol, on the adoption of common criteria for the inclusion of additional species in Annexes II and III to the Protocol,

Recalling the recommendation adopted by the Fourteenth Ordinary Meeting of the Contracting Parties (Portoroz, November 2005) that approved the principle of modifying the lists of species included in Annexes II and III to the SPA/BD Protocol on the basis of criteria to be established, and the decision to adopt these criteria, approved during the Fifteenth Ordinary Meeting of the Contracting Parties (Almeria, January 2008),

Being aware of the need to ensure that the lists of species appearing in Annexes II and III to the SPA/BD Protocol are updated, taking into account both the evolution of the conservation status of species and the emergence of new scientific data,

Taking into account, the request made by the Regional Activity Centre for Specially Protected Areas, hereinafter referred to as “SPARAC”, to their Focal Points to submit proposals of amendment to Annexes II and III to the SPA/BD Protocol during their Eleventh Meeting (Rabat, 2-5 July 2013), using the adopted Common Criteria,

Take into account the proposal of amendment to Annexes II and III to the SPA/BD Protocol submitted by Italy during the Eleventh Meeting of Focal Points for SPAs (Rabat, 2-5 July 2013),

Taking into account the request of the European Union for necessary time to complete prior internal procedures, for adopting these amendments,

Decides in application of Article 23 of the Barcelona Convention and of Article 14 of the SPA/BD Protocol, to amend the Annexes II and III to the SPA/BD Protocol. In conformity with this amendment, the Annexes II and III will be as indicated in the lists attached to this decision;

Invites the Depositary to communicate without delay to all the Contracting Parties the adopted amendments;

Requests the Secretariat in cooperation with SPARAC to assist the Parties to implement this decision.
