VENUE:

Symposia will be held from the 27 to 31 October 2014, in Portorož (Slovenia) at the “Grand Hotel Bernardin” Obala 2- 6320 Portorož (Slovenia).

BACKGROUND INFORMATION:

Mediterranean Symposia are organised within the framework of the implementation of Action Plans adopted by the Contracting Parties to the Barcelona Convention:

- The Action Plan for the Conservation of Marine Vegetation in the Mediterranean Sea, adopted in 1999.
- The Action plan for the protection of the coralligenous and others calcareous bio-concretion in the Mediterranean, adopted in 2008.
- The Action Plan for the conservation of Habitats and Species associated with seamounts, underwater caves and canyons, aphotic engineering benthic invertebrates and chemo-synthetic phenomena, in the Mediterranean Sea (Dark Habitats Action Plan) adopted in 2013

OBJECTIVE:

The main objective of Symposia is to gather available knowledge on these habitats. These symposia are also intended to provide an opportunity for Mediterranean scientists to exchange information and experience.

Symposia of 2014 are therefore expected to gather specialists from all over the Mediterranean region to discuss current knowledge of the state of Mediterranean species and key assemblages and to present the most recent data regarding their conservation work and aspects of their latest research.

MAIN TOPICS:

Symposia will be dealing with the main following topics:

- Marine vegetation, coralligenous and others calcareous bio-concretion
 - Population, biology, ecology and dynamics (including inventory of species)
 - Mapping and monitoring (associated organisms included)
 - Impacts and disturbance on key assemblages (including global changes)
 - Conservation, management and restoration.
- Dark habitats
 - Current state of the art
 - Methods to study
 - Management

SYMPOSIA WILL INCLUDE:

- Oral presentation sessions (for papers)
- Poster sessions
- Roundtables / Workshops.

The detailed program of Symposia will be prepared after all the accepted papers and posters have been considered, and will be available by the end of September 2014.

PAPERS AND POSTERS:

Participants may contribute with papers and posters according to the main topics of Symposia and the instructions attached to this announcement. For each accepted paper, a 10-minute oral presentation will be given. A poster room will be available for accepted posters.

WORKING LANGUAGES:

Symposia working languages will be English and French. Simultaneous interpretation will be available during plenary sessions.

REGISTRATION:

Pre-registration for symposia is required and can be done by filling out the attached form and sending it by e-mail or fax until the deadline (31 May 2014). A Pre-registration notification will be sent by e-mail. The final registration procedure will be completed on-site before the opening session.

REGISTRATION FEES:

A registration fee of 280 EUR for non-students and 140 EUR for students will apply. The registration fee grants access to the exhibition area, workshops, plenary sessions and catering facilities. The registration fee also covers morning and afternoon coffee breaks; lunches on Oct. 27, 28, 29, 30 and 31; a symposium bag; and access to gala dinner on Thursday night, Oct. 30 (under the condition, that prior confirmation is given upon registration).
